

Revenue Budget 2025/26 and Indicative Financial Plan 2026/27

1. Introduction

- **1.1** This report presents a revenue budget for 2025/26 for approval and an indicative financial plan for 2026/27 for noting.
- **1.2** This report was reviewed by the Performance and Audit Committee at its meeting on 28th February 2025.

2. Main Report

Scottish Government Budget 2025-26

- 2.1 The Scottish Budget was passed by the Scottish Parliament on 25th February 2025.
- 2.2 It is anticipated Scottish Government funding to Regional Transport Partnerships (RTPs) for 2025/26 will be advised in early 2025.
- **2.3** Following a reduction of £39,000 (5%) in 2024/25, it is anticipated there will be no further change to the Partnership's core funding of £0.743m from the Scottish Government, and that there will be no re-allocation of the grant among RTP's. Both assumptions remain to be confirmed.
- 2.4 If available, an update will be provided to the meeting of the Partnership Board on 14th March 2025.

Proposed Revenue Budget 2025-26

- 2.5 Section 3 of the Transport (Scotland) Act 2005, as amended by the Section 122 of the Transport (Scotland) Act 2019 requires the constituent councils of a Regional Transport Partnership to meet the estimated net expenses of the Partnership.
- 2.6 A financial planning report was considered by the Partnership on 6th December 2024. The Partnership noted the financial planning assumptions being progressed for 2025/26 and 2026/27.
- **2.7** Financial planning for 2025/26 and 2026/27 is based on receiving £743,100 of grant funding from Transport Scotland and £190,000 from constituent council requisitions. This represents a stand-still in both the Transport Scotland grant and Council requisitions.
- 2.8 In 2024/25, the Partnership was awarded additional funding of £5.326m from Transport Scotland to progress the People and Place Programme (PPP).

- 2.9 For 2025/26, the Scottish Government has advised PPP revenue funding of £2.099m and capital funding of £4.270m a total of £6.369m. This is an increase of £1.043m from 2024/25. A similar level of funding is estimated for 2026/27, although funding for 2026/27 remains to be confirmed.
- **2.10** The financial plan make provision for a pay award of 3% in 2025/26 and 2026/27.
- 2.11 The proposed budget for 2025/26 includes the change in employers National Insurance contribution rates announced by the Chancellor of the Exchequer on 30th October 2024. This is estimated to cost an additional £11,000.
- 2.12 In the Scottish Government Local Government Finance Settlement announcement, it was advised that discussions remained in progress between the Scottish Government and the UK Government on the provision of additional funding to offset the impact of changes in employer's National Insurance from April 2025.
- 2.13 Following the Scottish Parliament's Stage 1 debate on the Scottish Government budget, a shortfall is estimated in the funding to be provided for the increase in National Insurance contributions, with the scope of organisations covered by the funding announcement to be confirmed.
- 2.14 The proposed budget for 2025/26 therefore seeks to contain the additional National Insurance contribution liability.
- **2.15** Other budget estimates have been updated to reflect forecast future costs.
- **2.16** An analysis of the proposed Core budget for 2025/26 and Indicative Financial Plan for 2026/27 is shown in Appendix 1.
- 2.17 Appendix 2 shows the Project Financial Plan for 2025/26. The Plan is based on the indicative Project activity reported to the Partnership on 15th March 2024. Proposed project activity for 2026/27 will be developed during 2025/26.
- 2.18 A summary of the proposed revenue budget for 2025/26 and indicative plan for 2026/27 is presented in the table below. Expenditure is forecast to be within the funding available for each year. The 2026/27 Projects budget is a best estimate of project activity, at this stage.

Scenario planning

The principal assumptions underpinning the proposed budget are noted in the table below.

| | 2025/26 | 2026/27 | | |
|---|--|--------------------------------------|--|--|
| Staff pay award (all staff; average provision) | 3% | 3% | | |
| Employee Recharges to Projects and People and Place Programme | £149,000 of employee costs can be recharged to Projects and People and Place Programme in 2025/26. | | | |
| Office Rental | Per Scottish Government Memorandum of Terms of Occupation Agreement (MoTO). | | | |
| Other contractual commitments | Budget estimates updated, when cost commitments are known. | | | |
| Transport Scotland core grant funding | Budget estimate u advised by Transp | pdated when funding ort Scotland. | | |
| People and Place grant funding | Budget estimate u advised by Scottis | pdated when funding h Government. | | |

The factors with the largest impact on the Partnership's income and expenditure at 2025/26 estimated values are noted in the table below.

| | At 2025/26 levels, every 1% change would result in following change from core assumptions |
|---|---|
| Transport Scotland core grant funding year- on-year change | £7,500 |
| Staff pay award (all staff; average provision) | £7,800 |
| Employee Recharges to Projects and People and Place Programme | £1,490 |
| Office Rental cost (MoTO) | £200 |
| People and Place Programme funding | £64,000 |

In seeking to manage changes from core assumptions, the Partnership would:

- In the first instance, seek to identify additional project funding opportunities. The Partnership has a consistent track record of leveraging external funding.
- Review the partnership's costs, with the intention of reducing costs to achieve expenditure within the available funding.
- Where appropriate, discuss funding with Transport Scotland, using the Regional Transport Partnerships Chairs Forum, as required.
- Where appropriate, discuss funding with constituent councils.
